The screenshot shows the Amazon.in activation landing page. The browser address bar displays https://www.amazon.in/gp/prime/pipeline/activation_landing. The page header includes the Amazon.in logo, a search bar, and navigation links for Account & Lists, Orders, and Prime. A green notification banner at the top states: "Welcome to Amazon Prime. You have successfully activated your Prime membership via BSNL. Start watching". The text "Start watching" is circled in red.

Get started. Just look for prime

Prime eligible videos and products are clearly marked. Just look for the Prime logo when you browse.

The banner features the Amazon Prime logo and the text "One membership, many benefits". Below this, four colored boxes represent different benefits: "FREE, fast delivery" (purple), "Instant video streaming" (green), "Ad free Music" (red), and "Early & Exclusive deals" (teal).

This section shows the Windows taskbar with various application icons and the system tray. Above the taskbar is the "Prime Video" header, which includes the Prime Video logo and a "Network 9 Internet access" indicator.

The screenshot shows the Amazon.in account page. The browser address bar displays https://www.amazon.in/gp/primecentral?ie=UTF8&ref_enav_youraccount_prime. The page header includes the Amazon.in logo, a search bar, and navigation links for Account & Lists, Orders, and Prime. The "Orders" and "Prime" links in the header are circled in red.

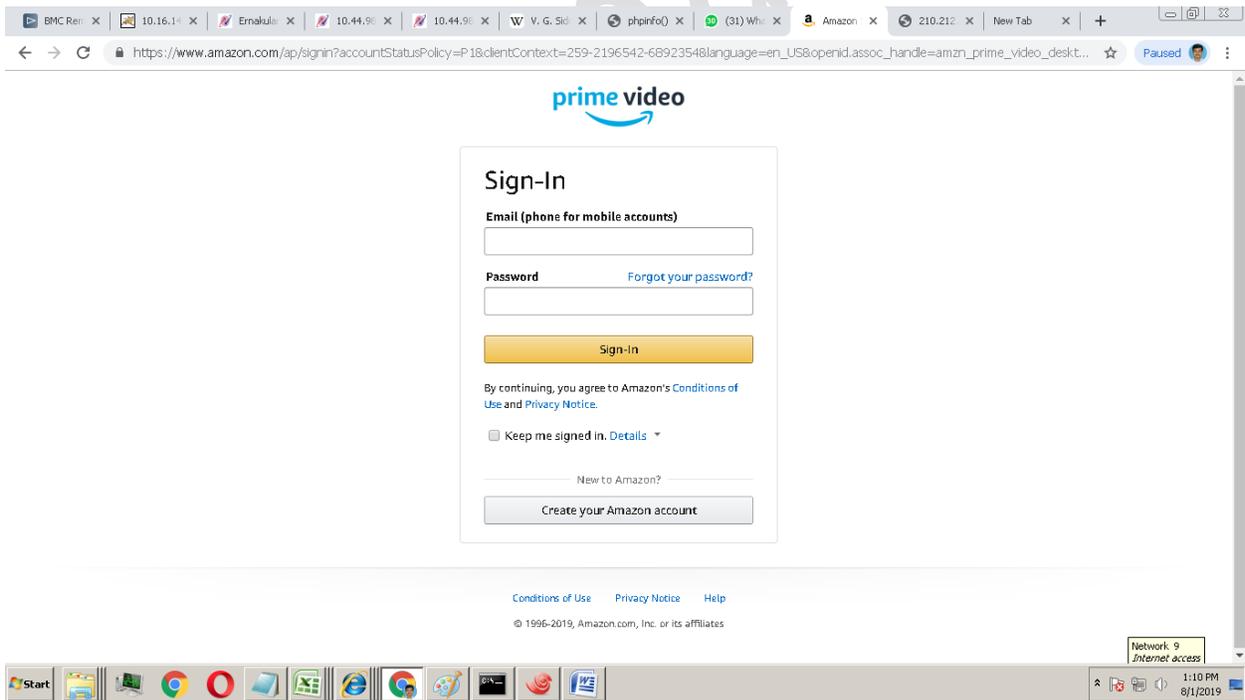

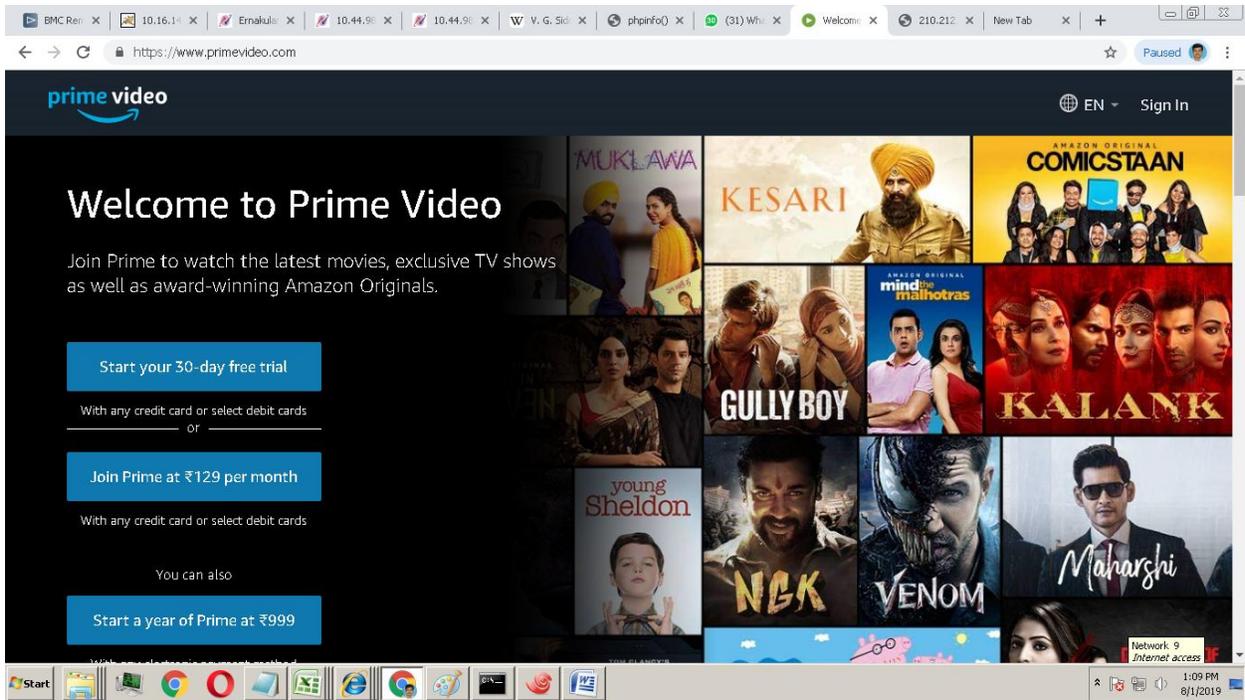

[Your Account](#) > [Manage Your Prime Membership](#)

The sidebar displays the user's name "Hello, max" and their membership status: "Membership: Prime". Below this, the "Membership Info" section states: "Your Prime membership is activated through your BSNL postpaid plan for 1 year starting on August 01, 2019." The "Membership: Prime" text is circled in red.

The "You have unused benefits" section lists two items: "Prime Music: Enjoy ad-free music with free offline downloads." and "Prime Reading: Read anytime, anywhere with no extra cost."

Login Successful in BSNL Amazon prime Offer

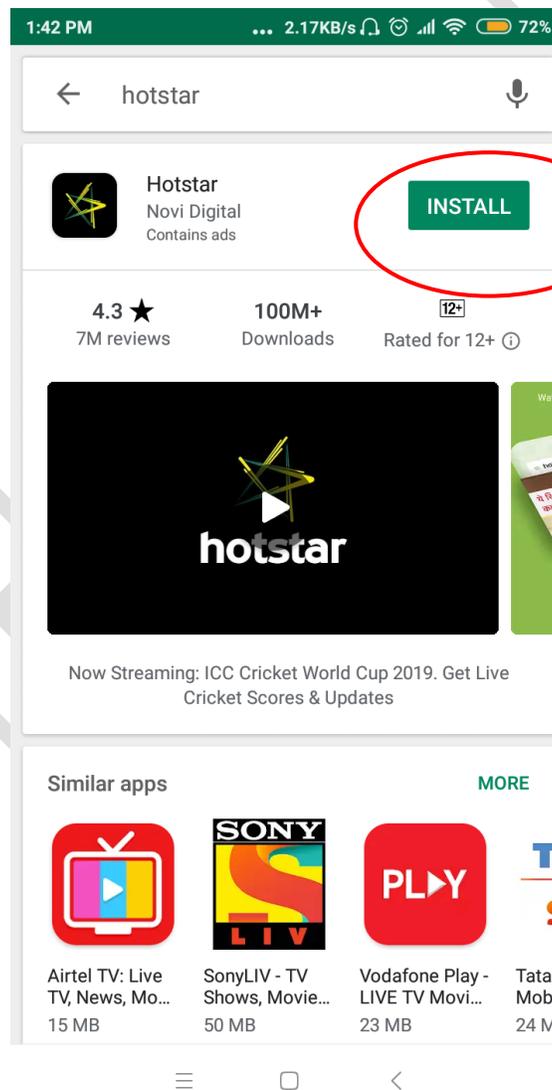

The image shows a Windows desktop environment with a web browser displaying the Amazon Prime Video website. The browser's address bar shows the URL: https://www.primevideo.com/detail/0NHF6AZZ0NMPVZ4HOPWOC69EEG/ref=atv_him_hom_c_BpZlqd_2_2. The website header includes the Prime Video logo, navigation links for Home, TV Shows, Movies, and Kids, and a search bar. The main content area features the movie 'Saving Private Ryan' with an IMDb rating of 8.6, a runtime of 2h 49min, and a release year of 1998. A description states: 'Based on a World War II drama. US soldiers try to save their comrade, paratrooper Private Ryan, who's stationed behind enemy lines.' Below the description are buttons for 'Continue Watching', 'Watch Trailer', and 'Remove from Watchlist'. A metadata section lists the Director as Steven Spielberg, Starring Tom Hanks, Edward Burns, and Barry Pepper, Genres as Action and Drama, Subtitles as English [CC], and Audio Languages as English. A 'Customers Also Watched' section is partially visible at the bottom. The Windows taskbar shows various application icons and the system tray with the date and time (1:19 PM, 8/11/2019). A second screenshot below shows the video player interface for 'Saving Private Ryan', displaying a close-up of a soldier's face. The video player includes a progress bar showing 0:27:13 / 2:22:16 and standard playback controls. The system tray in this screenshot shows the time as 1:21 PM on 8/11/2019.
